

Quick Start Guide

New to Zoom for Education? Use this guide to learn the basics.

Meeting Information

If you need to find the Invite Link during a zoom session you can do so here.

Security

Enable Waiting Room, and Chat will appear on the security menu if you have turned them on through the Zoom web portal at zoom.us.

Only hosts and co-hosts can share their screens.

Stop or start audio or video

Mute or unmute your audio. Stop or start your video.

Change the View

Change the view between speaker and gallery view

Breakout Rooms

Breakout rooms allow you to split your Zoom meeting in up to 50 separate sessions.

The Breakout Room button will appear if you have turned this on through the Zoom web portal at zoom.us.

Only the host and co-hosts can create breakout rooms.

Breakout rooms can be created in advance of sessions.

Non Verbal Feedback

If non verbal feedback is enabled by the host, participants can provide feedback to the host during the session.

Chat To Field

Chat to everyone or to a selected participant privately.

Participants

View participant list & raise hand.

Share Screen

Click to view sharing options.

Reactions

Click to make either of these icons appear on your video.
